

TOWN OF ACTON
DESIGN REVIEW BOARD
MINUTES OF January 19, 2011 MEETING

7:30 PM
Room 126, Town Hall

NEXT COMMITTEE MEETING: Wednesday, February 2, 2011
 Acton Town Hall, Room 126, 7:30 PM

Present: Ann Sussman (Chair), Holly Ben-Joseph (Vice-Chair), David Honn, Kim Montella (Liaison to Planning Board)

Meeting was called to order at 7:41 PM.

Celia Kent of Acton 20/20 discussed the emerging topics (AKA Burning Issues) and how their group was planning to guide development of the Master Plan. Acton 20/20 hopes to vote on a Master Plan a year from now. Town Inventory will be complete in about 1 month. They hope to organize the Master Plan around town goals.

An issue the DRB noted was there is no maximum on number of parking spaces for new developments.

Lauren Rosenzweig-Morton sat in on meeting at 8:37pm.

DRB talked about having our visual preference study coincide with Acton 20/20's public outreach meetings in May 2011.

David Honn updated us on the Train Station progress.

Lauren Rosenzweig-Morton brought up the issue of the Planning Board taking on the Site Plan Special Permit commercial development applications rather than the BoS reviewing them.

Meeting adjourned at 9 PM.

Respectfully Submitted,
Kim Montella
Liaison to the Planning Board
